

Golf Rules' Seminar

Re. Club Education Rules of Golf 2019

Dear Hon. Secretary/Competitions Secretary

As mentioned at last Monday night's Annual Delegates Meeting held at Carton House, Leinster Golf in cooperation with the ILGU will provide Education on the new Rules of Golf in the New Year for club members.

We expect many of your individual members will be interested in attending a session and therefore it is likely there will be a big demand. The location for the Rules Seminars will be decided after we assess the level of interest and we may require to hold them at central locations.

If your club is interested in attending could you please indicate by email to teresa@leinster.gui.ie not later than **Friday 14th December 2018**?

Many thanks for your co-operation.

Kind regards,

Teresa Thompson
Executive Officer
