This is in effect for the year 2021

- This is an addendum to the current 'Terms of Competition' and the current 'Terms of Competition' is in full effect for **Saturday Overflow, Front 9 Weekend & Back 9 Weekend**
- **Overflow Saturday (18 Hole) competition** on a Friday will give those not able to play on the Saturday (or with a preference/desire) a chance to enter and compete in the Saturday competition. Certain exceptions will be in play during the calendar year as certain fixtures will not fit the criteria for Overflow Saturday (for example the Monthly Medal, Major Days, course access etc...).
- **Front 9 Competition after last 18 Hole tee time - this is in effect for Saturdays & Sundays**
Some exceptions will be in play during the calendar year, as certain 'Major Days' may not permit the running of a 9 hole competition. This format of play will be valid for WHS handicap calculation.
- **Back 9 Competition AM start – this is in effect for Saturdays & Sundays**
Some exceptions will be in play during the calendar year, as certain 'Major Days' may not permit the running of a 9 hole competition. This format of play will be valid for WHS handicap calculation. Timesheet will be setup to ensure that those teeing off on the 1st will arrive to the 10th tee ready to continue your round.
- Timesheets for all the above will be setup on BRS and you will book your golf as normal
- **Saturday Overflow (18 Hole) on a Friday**

Please ensure you sign in to the Pro Shop as per normal timesheet/competition rules.

You must only enter the competition for one day either **the Friday (Saturday Overflow) or**

A player must not enter their name onto the competition timesheet or waiting list for both a Friday (Saturday Overflow) and a Saturday 18 hole competition. Casual Golf outside of Competition time is permitted.

If the Saturday 18 hole competition does not have a minimum number of entries then the competition for the Saturday will not be in play – In this case the Friday competition will then be treated as a separate competition and prize allocation will be in line with the numbers that played on that day (to be determined by the Competition Committee).

If a player enters the Overflow Saturday competition (Friday), the player is entitled to enter the 9 hole competitions on a Saturday. Prize allocation for 9 hole competition will be in line with the numbers that played on that day (to be determined by the Competition Committee).
